Recommendations for work orders awards will be made competitively generally based on quality and/or price. WOPRs may be issued on short notice, and response times may be required in less than 48 hours.

The County reserves the right to award individual work orders on a fixed price basis and it is anticipated that the majority of work orders will be awarded in this manner. The County may award a Work Order on the basis of initial offers received, without discussion. However, the County reserves the right to enter into negotiations with the recommended Pool member. If the County and the recommended Pool member cannot negotiate a successful agreement, the County may terminate said negotiations and begin negotiations with the next Pool member. This process may continue until a Work Order has been issued or all proposals have been rejected. No Pool member shall have any rights against the County arising from such negotiations.

The County reserves the right to award additional services for, and updates to, a previously awarded work order to the same Pool member that was awarded the original work order. Selected Pool members are in no way restricted from responding to other County solicitations falling outside the Pool.

Local Preference and Certified Service-Disabled Veteran's consideration will not apply to individual Work Orders.

All sales resulting from this Contract, or any contract resulting from the solicitation referenced on the first page of this Contract, and the utilization of the County Contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee applies to all Contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

The Contractor providing goods or services under this Contract shall invoice the Contract price and shall accept as payment thereof the Contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. Contractor participation in this invoice reduction portion of the UAP is mandatory.

b) Joint Purchase

Only those entities that have been approved by the County for participation in the County's Joint Purchase and Entity Revenue Sharing Agreement are eligible to utilize or receive County Contract pricing and terms and conditions. The County will provide to approve entities a UAP Participant Validation Number. The Contractor must obtain the participation number from the entity prior to filling any order placed pursuant to this Section. Contractor participation in this joint purchase portion of the UAP, however, is voluntary. The Contractor shall notify the ordering entity, in writing, within three (3) business days of receipt of an order, of a decision to decline the order.

For all ordering entities located outside the geographical boundaries of Miami-Dade County, the Contractor shall be entitled to ship goods on an "FOB Destination, Prepaid and Charged Back" basis. This allowance shall only be made when expressly authorized by a representative of the ordering entity prior to shipping the goods.

The County shall have no liability to the Contractor for the cost of any purchase made by an ordering entity under the UAP and shall not be deemed to be a party thereto. All orders shall be placed directly by the ordering entity with the Contractor and shall be paid by the ordering entity less the 2% UAP.

c) Contractor Compliance

If a Contractor fails to comply with this Article, that Contractor may be considered in default by the County in accordance with Article 24 of this Contract.
